

Chapter 16.25 HOME OCCUPATIONS

Section 16.25.02 Approval Period.

A Home Occupation permit shall be issued by the Planning Department, for a one (1) year period, only after the Home Occupation has been determined to meet the requirements of this chapter. Conditions may be attached to any permit approval or renewal and are subject to annual review. Approvals in any year do not perpetuate the right to operate such uses in subsequent years. New permit applications and renewals shall comply with the requirements that are in effect at the time of application.
